Item	Item	Action
1. Apologies, Minutes approved.	Meeting commenced after 6pm The minutes from the July 2023 meeting were approved, Moved NL and Seconded TB. June 2022 and July 2023 minutes to be reported to Council and posted to website.	CN
2.	Council Update – Integrated Transport Team. NZ provided an update on the restructure of the Transport teams under Integrated Transport Manager.	
3.	CURRENT PROJECTS UPDATE	
3.1. Bondi Junction Cycleway	Continuing high usage of cycleway noted along with noting TfNSW installation of cameras for counts at the Oxford St Bronte/Grosvenor intersection. All these counts are available at https://www.transport.nsw.gov.au/projects/programs/walking-and-cycling-program/walking-and-cycling-counts .	-

3.2. Curlewis St Separated Cycleway	Stage 1 construction commencing 2024. Additional funding from TfNSW requested for Stage 2 (Glenayr to Old South Head Road)	
3.3 Birrell St	Stage 1 – Newland to Bronte is complete except for Bronte Rd intersection where the TCS design is underway. Lantern and phase will be provided for uphill bikes. Stage 2 – Bronte Rd to Henrietta St – detailed design is underway. Local traffic study is required for intersections.	
3.4 Queens Park Rd Shared Path	Completed. Queens Park to Bourke Rd with TfNSW funding.	
3.5 York Rd slip lane	Near completion with contractors currently working on the Centennial Park corner paving. Estimated completion mid December, weather permitting.	
4.	OTHER PROJECTS	
4.1 Oxford St Mall	Upcoming educational campaign to support actions to reduce cyclist usage of the mall as a detour. Also upcoming a design competition for a future redevelopment of the mall	
4.2 Henrietta St	Investigating alternative options to designate the current flaps. No budget yet available. Issue raised re more clearly identifying bicycle access from Victoria Street to Henrietta Street South.	
4.3 Charing Cross Update	Upgrade planned will provide bike parking but bikes will need to use the travel lane as there is no space between parked cars and travel lane. Route assessment towards Randwick identified Carrington Road as the preferred option for the long term connection.	
5. Bike Route Maintenance	Standing Item – items discussed below Fletcher Street – needs green paint Queens Park Road – remove signs for bike lane Access from Waverley Park to Birrell Street – expand the dropped kerb	
6. Bicycle Parking	Grafton Street Bike Compound. Planning of the 'Green Square' style bike compound progressing with construction planned March / April 2024	
9 Other Business	SL reported suggestions from AB <ul style="list-style-type: none"> - consideration provision of contraflow for cyclists on one-way roads – part of the bicycle strategy - Chaley St – access near Rose Bay School NL – residential bike parking – potential for subscription to bike cages. CN stated that demonstration of sufficient demand in a specific site which be necessary pre-requisite	
NEXT MEETING	Scheduled 20 March 2024 for Bondi Room, Council Chambers	
FUTURE MEETINGS	24 July and 2 October (24 July cancelled)
