Waverley Council Response Report to requests from the February 2024 Bronte Precinct meeting

Meeting Date	Motion	Council Officer Response	Directorate	Status
12 February 2024	Bronte Precinct requests that the remaining sections of footpath of Mirimar Avenue be replaced before 30 June 2024, as already authorized by Mr Joanides, without further reinspection.	Council's Executive Manager of Infrastructure has reviewed the site and has advised that Council will be conducting grinding to improve slip issues on Mirimar Avenue before the end of the financial year.	Assets & Operations	In progress
	Bronte Precinct requests Council to liaise with Penny Sharpe, NSW Minister for the Environment, also Ron Hoeing, NSW Minister for Local Government to amend the law in NSW to permit local councils to implement 24/7 cat containment rules.	Waverley Council does not currently have an adopted position on mandating cat containment. This matter must be undertaken via a notice of motion of Council. Council Officers have advised the Executive Leadership of this matter. We recommend the Precinct write to their Ward Councillors on this matter.		
ACTION				
	Why is Council entering a float in the Mardi Gras and not fixing the footpaths etc, such as in Mirimar Ave that has been identified by this Precinct several times? The question is raised as a matter of what budget. Where is it allocated from? The Mayor may have had the opportunity to say yes or no. Decided under delegated authority means it doesn't require Mayor/Council authority. Officers may just go ahead.	Waverley Council prides itself on our inclusivity and thus Council undertakes many endeavours which reflect the diverse range of people who live in our community. Waverley Council supports all members of our community, with services for our over 55s, children and youth, families, people with a disability and those with cultural diversity to name a few. This year's activities as part of the 2024 Mardi Gras festival is a reflection of that commitment to our LGBTQ community. In particular to the Mardi Gras Parade, our staff have been fundraising for this activity due to their passion and enthusiasm to participate. If you would like to find out more about Waverley Council's community programs please see this link: https://www.waverley.nsw.gov.au/community	Community, Culture and Customer Service	Complete
	Palmerston Ave, Brown St not received. Alfred and Murray St received.	Council is aware these streets have also not received the flyer in the past. We will be trialling new distributor from April. Please let the CLC know if there are any issues with the next Flyer delivery.	Executive Services	In progress
	Sculpture by the Sea—Thompson Street temporary one-way system generally reportedly	Council reviews all Sculpture by the Sea-related traffic operations during and after each exhibition and implement any identified changes that	Community, Culture and	In progress
