

Application to Review a Determination of a Development Consent

Made under Section 8.3 of the Environmental Planning and Assessment Act 1979

About this form

Use this form to request the Council to review its determination of a development application under Section 8.3 of the Environmental Planning and Assessment Act. You cannot make this application if the development is 'designated development' or 'integrated development' or the determination was made by the Land and Environment Court. In requesting the review, you may amend the proposed development, however it must be substantially the same development to the original proposal.

- An application for review of a development consent must be made within 8 weeks of the determination date of the development consent to ensure that it can be assessed within the statutory timeframe (6 months from the date of the decision – Clause 8.3(3) of the EPA Act 1979)
- A Review of a S4.55 application must be submitted 28 days after the determination (Clause 244(2)(a) of the EPA Regulation 2021)

A Review of a decision by Council to reject and not determine a development application is to be made within 14 days after the applicant is notified of the decision (Clause 244(2)(b) of the EPA Regulation 2021).

How to complete this form

1. Ensure that all fields are filled out correctly and the form is submitted on the [NSW Planning Portal](#) together with all other required documentation during lodgement. Incomplete applications will be returned through the Planning Portal.
2. All fields are mandatory and must be completed before submitting the application.
3. Your proposal may also require other approvals of government agencies or of Council for certain activities as detailed throughout this application form.
4. To minimise any delay in receiving a decision about your application, please ensure you submit all relevant information and a valid email address. You will be advised by email upon your application being determined.
5. Once your application is lodged with Council, you can follow the progress on Council's website, via the [DA Tracking Tool](#)

Total estimated cost of works

What is the total cost of works for works proposed in this application? This is checked by Council before acceptance or during the assessment process. In the case of construction or building work, the development application fee is based on the estimated cost of development and is based on the cost incurred if a contractor carried out the works (this is not the cost of an owner-builder carrying out the works). An updated detailed cost report (less than \$500K) or Registered Surveyor's detailed cost report (more than \$500k) is required. Please provide the report with the application.

Estimated Development Cost (including GST)

Political donations

Under the Environmental Planning and Assessment Act 1979, the applicant (or any other persons with a financial interest in the application) must disclose any reportable political donations or gifts they have made to a Councillor or Council employee in the two years before the application is made. The disclosure requirements continue to apply until the application is determined.

Note: Failure to disclose relevant information is an offence under the Act. It is also an offence to make a false disclosure statement.
