BONDI PRECINCT**

Waverley Council Response Report to requests from the August 2024 Bondi Precinct meeting

Meeting Date	Motion	Council Officer Response	Directorate	Status
August 2024	Bondi Precinct believes Council's proposed pricing offer for local residents to use the Pavilion as a community centre is insufficient. Bondi Precinct believes charges for local residents should be set at a 50 per cent discount to the Standard rate. Bondi Precinct believes making it more financially accessible will allow greater use of the Pavilion by community groups.	<p>As advised in the last response to Bondi Precinct, while adopting Council fees and charges for 24/25 financial year, Council asked officers to investigate the feasibility of a locals rate for the Pavilion, and the financial subsidy Council would be required to allocate to fund it. Officers are undertaking this work as requested.</p> <p>We have noted the Precincts motion and this will contribute towards Council's review.</p> <p>We also note the comment in regards to community groups usage and highlight that Council has a Charity / Not for Profit groups / Rehearsals rate for Pavilion hire.</p>	Community, Culture and Customer Experience	Complete

	Bondi Precinct requests a detailed summary of revenue the Council has collected from parking fines over the last 3 years in the Bondi, Bondi Beach and North Bondi zones. We would also like a breakdown of where these fines have been collected and the percentage increase/ decrease over this period.	<p>Each year, Council is required to make available a set of audited financial statements. These statements set out the financial performance, financial position and cash flows of Council for the relevant financial year.
